

MSU Students Awarded Computational Biology Certificates

Twelve Mississippi State students have been awarded Computational Biology certificates in 2010. The certificate is available to students in both the computational and life sciences. All students must complete CSE 4623/6623 Computational Biology plus four additional courses to qualify for the certificate. More information about requirements can be found at:

<http://www.idb.msstate.edu/Education.htm>.

Students awarded the certificate in 2010 are listed in the table below.

Student	Program	Major
Ammari, Mais	Ph.D.	Veterinary Medical Science
Challagundla, Lavanya	Ph.D.	Biological Sciences
Ganji, Satish	Ph.D.	Molecular Biology
Lu, Jingjun	Ph.D.	Veterinary Medical Science
Malone, Brandon M.	Ph.D.	Computer Science
Manda, Prashanti	Ph.D.	Computer Science
Ozkan, Seval	Ph.D.	Molecular Biology
Pramod, Sreepriya	Ph.D.	Biological Sciences
Skinner, Joshua Brantley	B.S.	Biochemistry
Showmaker, Kurt	M.S.	Agronomy
Tang, Juliet D.	Ph.D.	Forest Products
Unlu, Ercan Selcuk	Ph.D.	Biological Sciences
